

BEST Inc.

Founded in 2007, BEST Inc. is an international logistics provider with operations spanning across the North America, Australia and Asia. We fulfill over 320 million orders through our warehouses and deliver over 7 billion parcels through our network each year. Our Los Angeles and New York warehouses cover over 500,000 sq. ft. and give our partners access to nationwide fulfillment while being able to utilize the same sophisticated and high quality operations we provide internationally.

SaaS

Best Inc. provides 2 SaaS solutions

Solution ① **ERP + WMS***

Solution ② **WMS + OMS**

We developed the SaaS solutions ourselves. 15 years' experience led to the industry-leading SaaS provider. You can easily operate shipping, fulfillment, warehouse management, order process, delivery, and return. Our SaaS solutions are smarter than ever.

Do you have products to sell on Amazon, Walmart, Target, BestBuy, CVS, Home Depot, Macy's, Costco, Shopify, ebay or other platforms? We got you covered!

*ERP Bronze plan has ERP only. Can upgrade to ERP + WMS.
ERP Bronze + and above plans contain WMS.

ERP

Our ERP solutions provide comprehensive features to optimize your day-to-day E-commerce business operations including inventory, orders, shipments and payments.

WMS

Your business will benefit from a lower initial investment cost, reduced IT needs, costs, and a fast implementation time with our WMS.

OMS

Our OMS supports over 100 E-commerce platforms. This great integration provides additional options for you to manage multichannel sales and fulfillment.
